The “Loaves & Fishes” Are Not Moldy

Dear Friend,

It’s been too long since we updated some of our supporters on the ministry of *Loaves & Fishes*, the free discipleship magazine for prisoners. You may have concluded that *Loaves & Fishes* has deceased or at least gotten a little stale, but no, the loaves are as “fresh” as ever!

Starting with this premier issue, the *Loaves & Fishes Report* is designed to keep you up-to-date on what’s happening here at Lighthouse Publishing and to show you how you can partner with us in the great task of publishing literature for prisoners.

You are subscribed to this report either because you have supported the work of *Loaves & Fishes* or we believe you have a concern for the prisoners in our country and would like to partner with us in some way.

Another Printing of Loaves & Fishes

Because of your help, we have enough money to move ahead with the printing of a new issue of *Loaves & Fishes*! We ordered close to \$10,000 worth of paper, and it was delivered last week. The plates are made, and now we can start printing! Please pray for my Dad who has weeks of printing ahead of him.

The postage to mail all these booklets will be somewhere close to \$15,000. It looks like we can send a portion of this printing with the donations so far, but we are trusting the Lord to provide the rest of the postage to get these sent soon after they are printed.

Unloading Paper for the *Loaves & Fishes* Magazine

“I have seen your fine publication here in Attica from time to time. It is very good—first class! Readable and attractive. Keep up the good work. It is the best publication I’ve seen.”

Mark Chapman • Attica, NY

"The *Loaves & Fishes* my friend receives is very educational. He gives them to me when he is finished so I may have the liberty in reading wonderful things. I think this little booklet is a true blessing for anybody when they pick it up to look at, read, study off of, etc. I would like to ask if I am able to receive this wonderful booklet so I can spread more of this radical news!"

James Daugherty • Tennessee Colony, TX

An Open Door

The demand for *Loaves & Fishes* is still high and we get hundreds of letters from prisoners who seem open and hungry for truth. Prison chaplains express appreciation for the support this magazine offers their ministry. This is a wide open door for the church to help people who really want to walk with Jesus.

Please pray for *Loaves & Fishes* to prosper and the means to publish it more often. We see urgent spiritual needs that are not being met in the prisons of our country. But with God's help and yours, we look forward to making a difference before the night comes!

For Christ,
Lavern Gingerich

What Could Happen If 350 People Gave \$1/Day?

If donations would increase by \$350 a day, this would give us \$10,000 more every month or \$30,000 every quarter – enough to print *Loaves & Fishes* four times a year!

We see an urgent need to publish *Loaves & Fishes* at least four times per year. With the support we have now, we can print one issue a year.

Would you prayerfully consider helping us achieve this goal with a monthly gift of \$30 or more?

"I found [*Loaves & Fishes*] to be exceptional in both the quality of the booklet itself, as well as its content... I have diligently searched for resources of this nature for inmates and must say I have seen nothing on par with *Loaves & Fishes*. I pray for your continued success."
